The school is absolutely delighted to announce outstanding results for two of our Hong Kong Diploma of Secondary Education candidates. Both Lee Lok Sze and Du Xiaopeng excelled in their studies for all subjects, and their tireless dedication to learning through recent difficult times of school suspension, really paid dividends for their futures. Lee Lok Sze would like to further her studies of Chinese history at university and Du Xiaopeng has an offer to study nursing at the Chinese University of Hong Kong. Sincere congratulations go to them both from the Buddhist Yip Kei Nam Memorial College community.
