Dear Parents,

#### **Comprehensive Announcements for June and July**

#### 1. Examination Arrangements for Second Term

E-mail:info@byknmc.edu.hk

The exams for the second term of this school year will be held from 5 June (Wednesday) to 18 June (Tuesday). The exam timetable and exam scope have been distributed to students earlier; parents and students can also check the relevant exam documents through the Grwth app to prepare for the exam.

- (1) During the examination period, students must wear neat uniforms and return to school. If students do not have any subjects to take exams on that day, they do not need to return to school. If during the examination period, the Education Bureau announces that schools must be closed due to bad weather or emergencies, the subjects to be tested on that day will be postponed to the next class day. For details, please refer to page 17 of the Student Handbook.
- (2) Students are not allowed to be absent from the exam without any reason. If you take leave due to illness, you should submit a parent letter and a valid medical certificate on the day of absence to the class teacher on the first class day after classes resume as proof. For those who can provide supporting documents, the school will evaluate the scores for the missed subjects. Otherwise, the missed subjects will be scored zero. There are no make-up exams for all subjects.
- (3) The examination paper checking dates for the next semester are 21 June (Friday) and 24 June (Monday), and the class time is from 8:15 am to 12:40 pm. Parents please pay attention. Please refer to [Attachment 1] for the class schedule on examination paper checking days.

### 3. Post-examination Activities

Our school will arrange a variety of post-examination activities for students to participate from 19 June (Wednesday) to 12 July (Friday). Please refer to [Attachment 2] for details of the activities. The following details should be observed during post-examination activities:

- (1) Post-examination activities are school activities and are equivalent to school days. Students must attend on time and pay attention to the participation levels and targets of each activity. For the remaining activities marked 'Selected', the school will send separate letters to parents to notify individual students of their attendance.
- (2) Please follow the instructions of the teacher in charge and return to school to attend activities wearing neat school uniforms, sportswear or uniforms.
- (3) If the Education Bureau declares classes to be closed for the day due to bad weather, the activities on that day will be canceled and no other arrangements will be made.

### 4. Graduation Ceremony

The graduation ceremony of this school year is scheduled to be held on 10 July (Wednesday). Students must return to school in neat uniforms. After the graduation ceremony, the class teacher will distribute the report cards and textbook order forms for the upcoming school year. If students want to order textbooks through our school textbook supplier 'Kai Ming Book Store Ltd.', after online registration and payment, they can go back to school on 13 August (Tuesday) to pick up the textbooks; parents can also purchase them at other bookstores. In addition, the class teachers will contact and interview some parents later to understand the learning situation of your children.

The school summer vacation is from 15 July (Monday) to 31 August (Saturday), and the new school year starts on 2 September (Monday).

### 5. Tutorial Classes for Form 5

In order to better prepare students before the public examination, tutorial classes for Form 5 will be held during the summer vacation, and students must attend. Arrangements for tutorial classes will be announced later.

Yours sincerely,

So Ka Leung
